

## New Staff Member

It is with great pleasure we welcome Mark Scott to Piney Woods AHEC. Scott will serve as the program coordinator for the practice entry and support division. Practice entry and support provides practice support for health professionals in the form of professional updates on the newest medical advances and continuing education for career development and credentialing. He has a Bachelor of Business Administration degree from SFA as well as years of experience in the sales, service and management industry. In addition, he is a native Texan and after six years in Fort Worth has returned to his hometown of Nacogdoches with wife April and 3 year old son Lennon.

During his time in Fort Worth, Scott consistently contributed efforts to the United Way Foundation, served on a committee for the Hispanic development chamber, chaired an employee development committee and participated in a multi-cultural diversity leadership committee. Mr. Scott has been involved with community beautification projects in Nacogdoches such as the Plaza Principal Project and the restoration of the Ingraham Building in downtown Nacogdoches. He also served as a teaching assistant for SFA 101 while earning his degree. As a music lover and performer, he has organized personal performances for the annual Sacred Heart Multi-Cultural Festival and Music to Lunch By venues in Nacogdoches.

We are excited to have Mark Scott join our team at Piney Woods AHEC and look forward to his future participation.
